

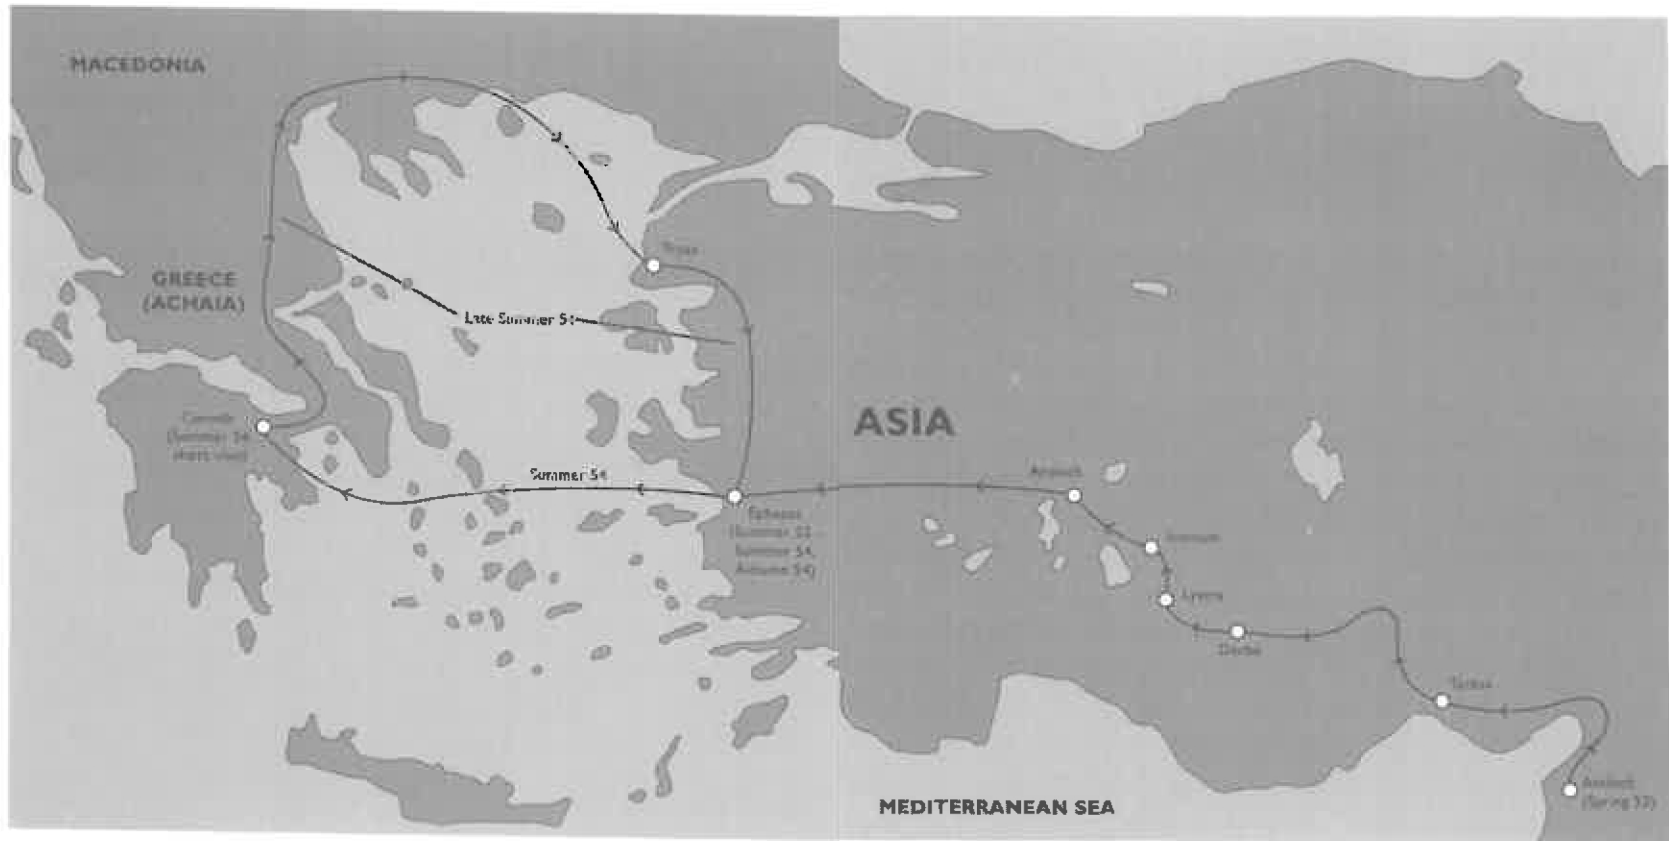

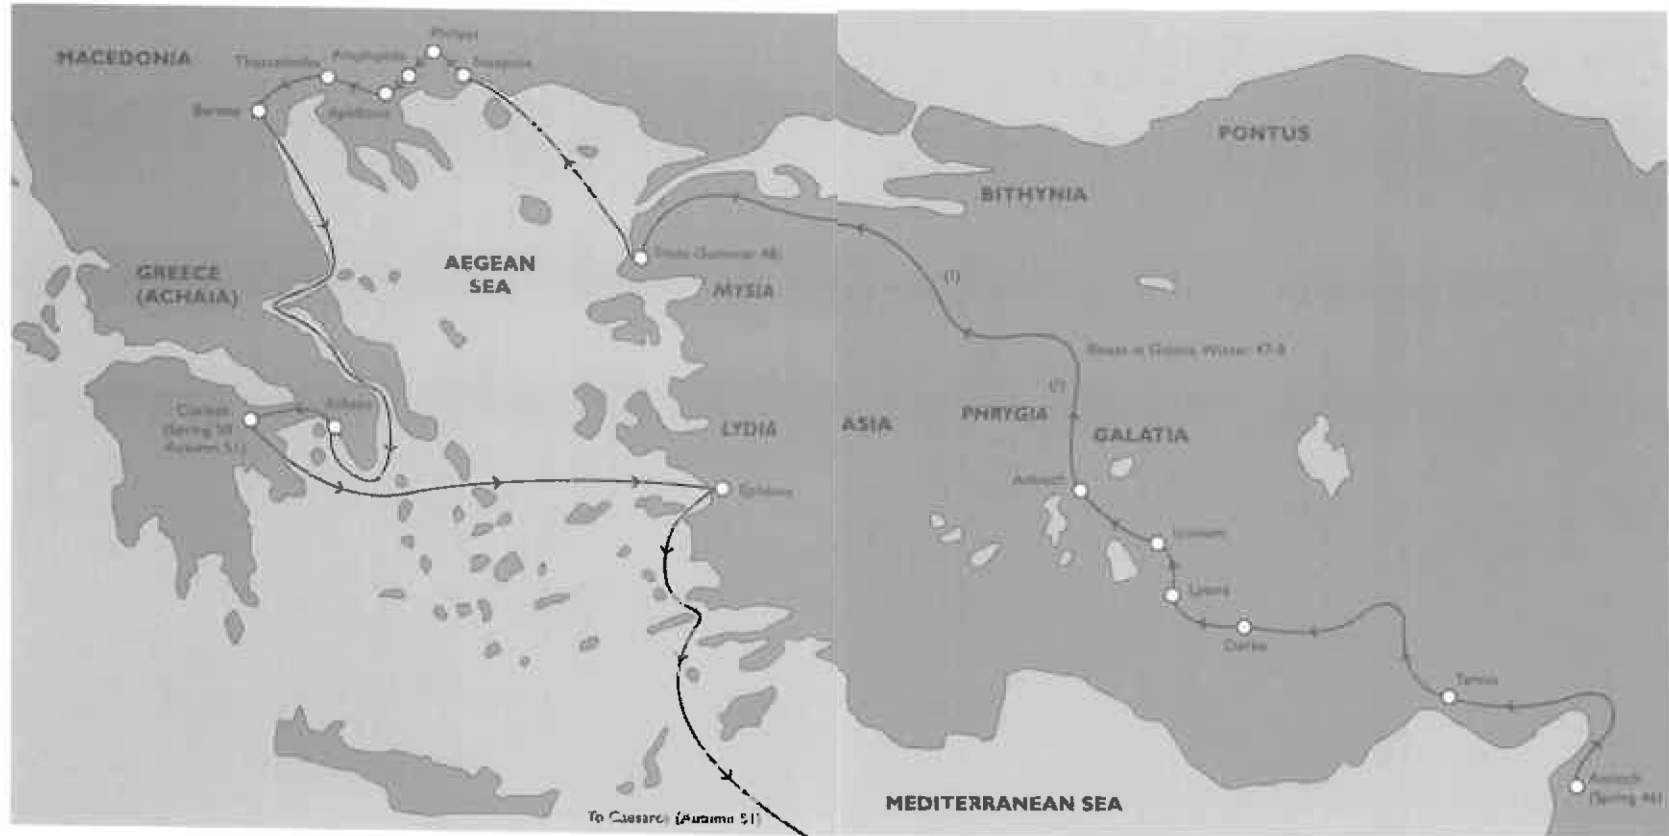

MAP 1. PAUL'S FIRST MISSIONARY JOURNEY, EARLY 40s, AS RECORDED BY LUKE

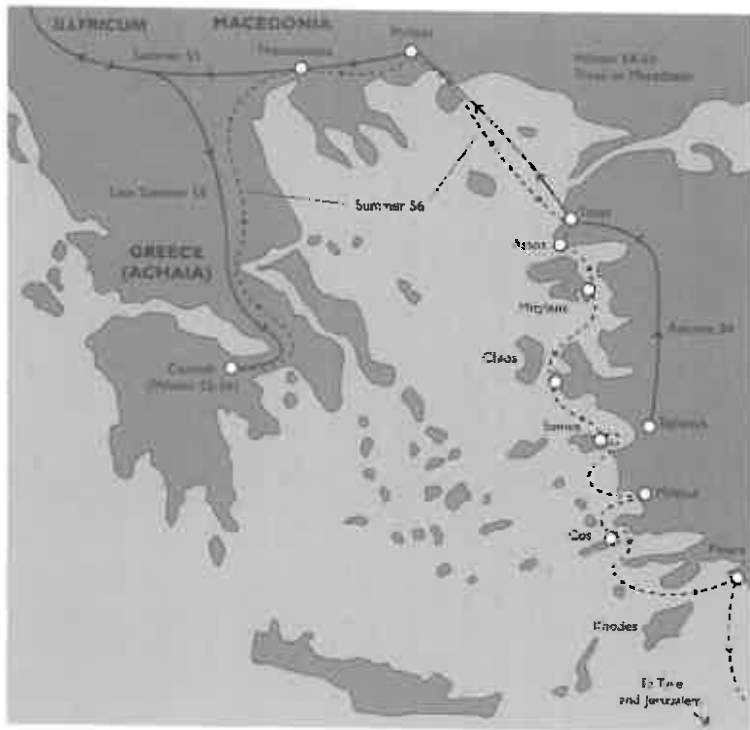

MAP 3. PAUL'S THIRD MISSIONARY JOURNEY, 52-56: FIRST PART, 52-54

*Note: The details of Paul's journeys to and from Corinth are famously hard to reconstruct with confidence.*

MAP 2. PAUL'S SECOND MISSIONARY JOURNEY, 46-51

*Note: Luke tells in *The Mission of the Jerusalem Council*, convened to discuss the conditions on which Gentiles might be admitted to membership of the assemblies. He places this council right at the center of his narrative. He tells next of Paul's second journey. Luke may well have combined into this story of a single council decisions made over several years and perhaps at several meetings. Paul's journey likely took place before and not after one such meeting in Jerusalem, in which Paul took part and of which he speaks in *Galatians 2:1-10*.*
