

This process generates list number three, which I share with you here, more for you to glance at than to read thoroughly.

Notice how FIGHT FACILITY pairs with BODY LANGUAGE, for example, and connects to SCHEDULES, SELF-CONTROL and QUESTION THE QUESTION . . .

Finally, I rearrange the list in accordance with the links I have established and I get rid of the connecting lines.

That's list number four, not yet final, but you may read it.

- OBSERVE ★
- EXPLORE ★
- ANTHROPOLOGY
- TERRITORY ★
- SPATIAL ALCHEMY★★
- NEGATIVE SPACE ★
- HIDING PLACES
