

BLAISE PASCAL Pensées

Read by **Peter Wickham**

Intended to be a defence of the Christian religion, *Pensées* is a penetrating collection of thoughts on faith, reason and theology. Unfinished at the time of Pascal's death, the book consists of philosophical fragments on the 'wretchedness' of man and the controversial schisms of the church at the time. It includes the philosopher's infamous wager encouraging belief over agnosticism, as well as his thoughts on numerous other topics, including the great essayist Montaigne and the Stoic teacher Epictetus. Endlessly quotable, *Pensées* overflows with pearls of wisdom, each elusive sentence pregnant with a universe of thought.

Peter Wickham was born in New Zealand and studied for the theatre at the Rose Bruford College in England. He has worked as an actor in the West End, and in theatres all over the UK and abroad, from Venezuela to Laos. He has performed in television and film, and has written a successful series of introductions to Shakespeare for the BBC World Service. He was a member of the BBC Radio Drama Company, where reading short stories and serials started his audiobook career. For Naxos AudioBooks, he has read Darwin's *On the Origin of Species*, Hobbes's *Leviathan* and Swift's *A Tale of a Tub*.
