[SPOKEN WORD]

All “Spoken Word” CDs, (CD# 1 – CD# 5), contain the following subliminal messages interspersed with sacred numbers in Divine Proportions, providing you with comfort, ease, and effortless education.

All eight CDs of *Your Magical Divine Experiment*[™] contain the Schumann Resonance, 7.83 Hertz, (the Earth’s resonance), and other harmonizing, soothing, and balancing frequencies for effortless ease and enjoyment.

Subliminal messages for “Spoken Word” CDs (CD# 1 – CD# 5):

Each and every time you listen to this program, you accept and internalize only that information which is appropriate for you.

You are made in the image and likeness of the loving Divine Presence, Universal Intelligence. Divine Presence is perfect, therefore at the core of your being, you are perfect also.

I claim this perfection with you, through you, and for you — manifested as peace, compassion, joyfulness, rich abundance, and radiant wellbeing.

You cast out all toxic fear, anger, resentment, criticism, and unforgiveness of yourself and others to be transformed into positive, life enhancing radiant wellbeing and vibrant energy for yourself, all people, all life, and for Mother Earth.

Divine Intelligence flows through you as you joyfully perform all creative service with love and compassion.

As Divine Consciousness expresses through you, your world is increasingly filled with wonderful and magical synchronistic events, creativity, achievements, and prosperity in all pleasing forms.

You effortlessly connect with the morphogenetic fields of healing, love, reverence, and compassion.

You act from integrity and treat others with love, honesty, non-judgment, and compassion — as you would have them treat you. The Golden Rule.

You effortlessly release all low frequency thoughts of anger, resentment, fear, false pride, lack, and limitation.

You intuitively calibrate your whole being to 350 Hertz or above, spiraling upward and into Divine Consciousness. You enjoy harmonious loving relationships You are increasingly resonating in the 700s of enlightenment and pure consciousness.

Your Mind, directly in concert with Divine Mind, understands frequencies and morphogenetic fields perfectly. You are happy, joyous, and free to create your very highest and best in all things, and in all ways.

Universal Intelligence expresses through you as peace, plenty, appropriate power, and reverence for all life in Divine Proportion.

You are filled and overflowing with increased energy and Life Force. You breathe in deeply of rich abundant life. As you exhale, you let go of old ideas that no longer serve your highest and best. You are energized. You are peaceful. You are whole and complete.

CD# 6: Centeredness, Balance, & Peace
The Body

[FREQUENCY TREATMENT]

Each and every time you listen to this program, you accept and internalize only that information which is appropriate for you.

Your first chakra is the spiritual energy and symbolic fire that manifests as the physical matter of your being. Your first chakra relates to survival. It is located at the root of your spine, in your pelvic region. Any unnecessary or toxic primal fear that you may experience is instantly transmuted into appropriate power, awareness, and unity with the Divine Nature of all Creation. You are authentically empowered with the Divine magnificent force of Love. Your first chakra resonates with all keys, especially with the key of C, and the colors, hues, and tones of red.

Your powerful Subconscious Mind automatically connects with the unlimited, omniscient, Divine Intelligence and brings forth to you, the magnificent magnetic energy, *prana*, *kundalini*, from all life-enhancing and restorative elements of the Divine Nature of all Life.

It is increasingly effortless for you to feel peaceful, centered, balanced, and in Unity Consciousness with life, animate and inanimate.

As you draw upon the unlimited, omnipotent Divine Nature of all things, you are energized and effortlessly empowered. You enjoy the pure natural energy of the unlimited Life Force all around you as it becomes channeled through your rich, oxygenated blood and circulates throughout your entire physical being.

You are experiencing increased energy and vitality, rejuvenation, and cellular age reversal, every day, and in every way.

Your actions, thoughts, words, and deeds, are effortlessly powered by your faith in the Divine Intelligence of all Life. As you inhale, you breathe in light and love. As you exhale, you breathe out all toxic thoughts, memories, and ideas that no longer serve your highest and best.

You experience trust in the Divine Nature of all Life. You are centered, balanced, whole, and complete. You are a powerful magnet, effortlessly attracting to you wondrous synchronistic events fulfilling all your physical, emotional, and spiritual needs as well as your heart's most treasured desires, NOW.

Your second chakra is located in your abdominal region and is the energy center that assists you in your "individuation process," disengaging from "tribal," "collective consciousness," low-frequency calibrations of unnecessary fear, and toxic responses. Your second chakra resonated with all keys, especially with the key of D, and the colors, hues, and tones of orange.

Balance of your second chakra is providing you with appropriate survival skills, body, mind, and spirit. In your "decision making," you enjoy attunement, faith, and trust in Divine Intelligence.

As you draw upon the unlimited, omnipotent Divine Nature of all things, you are energized and renewed. You enjoy the pure natural energy radiating from the photons of the sun, transmuted through the lush flora and fauna, rain forests, and oceans, by Mother Nature, planet Earth.

Your decisions are based on your desired outcomes that are for the highest and best for yourself as well as all those around you.

Every day, and in every way you are experiencing cellular age reversal and rejuvenation for every cell in your being.

Your third chakra is located in your solar plexus, at the lower center of your breastbone. *Solar* means "sun," and *plexus* means "bridge." The solar plexus of your third chakra literally integrates and bridges your first and second chakras into your heart chakra. Your third chakra resonates with all keys, especially with the key of E, and the colors, hues and tones of yellow.

Your third chakra is located in the area of your thymus gland which is shaped like a heart. Your thymus gland is an integral aspect of your immune system, creating immune chemicals such as interferon and interleukin for protection of your body's cellular health and wellbeing.

Your third chakra is also providing you with enhanced immunity from negativity from internal or external sources.

Symbolically, your third chakra is now and continuously bringing new illumination and awakening for your Spiritual alchemical transmutation of the primordial desires of fear, greed, pride, envy, into the higher calibration of radiant frequencies of love, peace, compassion, reverence, joy, and higher awareness. Through your intention, inspiration, and willingness, you are now experiencing greater levels of authentic power.

You are joyously feeling enhanced awareness of feelings of physical and emotional protection. You enjoy new levels of understanding in all areas of your life. Every day, and in every way you are feeling more centered, balanced, safe, whole, and complete.

You are creating and enjoying harmonious loving relationships in all areas of your life. You are joyously experiencing deeper, and more meaningful communion with all sentient beings and Nature itself.

You are happy, joyous, free, and creatively inspired. It is becoming increasingly effortless for you to feel richly abundant, vibrantly alive, centered, balanced, whole, complete, and in unity with the Divine Nature of all Life.

For the fulfillment of your hearts' most treasured desires I speak my word, and they are made manifest now, in just the right time, and in just the right ways.

CD# 7: Radiant Wellbeing & Rich Abundance
The Body Mind

[FREQUENCY TREATMENT]

The fourth or heart chakra is representational of rich abundance in all forms. It is the aspect of your body that delivers rich oxygenation to you red blood cells. It is also the center of your planetary connection with the rich oxygenation of lush plant life and the rain forests of the world.

The frequency of your heart resonates with all keys, especially with the key of F, and the colors, hues, and tones of green. It is from your heart chakra that you are mastering, balancing, and calibrating the increasing flow of compassion, love, and rich abundance in all pleasing forms, in your life experience.

Your heart chakra is your awakening center of love, unity, compassion, and peace. Your wonderful heart acts as the integration point of all your chakras. From your heart chakra, you radiate love, peace, harmony, and rich abundance to all of your chakras, and to every cell of your physical being.

Your throat, or fifth chakra, resonates with all keys especially the key of G, and in color blue in all hues, tones, and shades that are appropriate for you. The balancing of your throat chakra assists in the healthy maintenance of your thyroid and parathyroid. It also maintains and improves your abilities for wonderful and articulate communication with yourself, body, mind, and spirit, as well as all others.

Your fifth chakra transcribes the rich abundant frequencies of love and harmony of your heart to greater expression. You are increasingly able to translate thoughts of your mind into shape and form. You feel Divinely inspired and enjoy enhanced creative expression in all forms, and in all daily activities.

You are authentically empowered in your creative expression and harmonious communication with yourself and all others.

The frequency of your sixth chakra resonates with all keys, especially with the key of A, and the tones and hues of the color indigo. Your sixth chakra is

located between your eyes and in the center of your brain. It is from this energy center that you enjoy visionary response as your mind becomes increasingly attuned to higher levels of consciousness. Your pineal gland resides within your sixth chakra. It is the “seat of your soul,” and regulates both your biological and symbolic responses to light and dark.

Every day, and in every way you are effortlessly achieving greater levels of visionary response, intuition, and enlightenment. The attunement of your heart and mind in your sixth chakra is the portal to the Christ Mind and the Christ Grid in sacred geometrical consciousness.

You are enjoying increasingly empowering self realization and connection with the immortal aspect of your Universal Self. You are effortlessly enjoying blessed purification of any and all lower-frequency ego blockages, enabling you to feel in Unity with all Creation. You are open and receiving new inspiration, faith, hope, peace, and abundance through magical synchronistic occurrences.

You are increasingly enjoying creative and productive states of “beingness,” rather than “doingness.” You are open and receptive to the rich abundance of the Universe and it flows in you, through you, and for you, in magical, enjoyable, and mysterious ways.

For the fulfillment of your hearts’ most treasured desires I speak my word, and they are made manifest now, in just the right time, and in just the right ways.

CD# 8: Harmonious Loving Relationships
We Are One
The Body, Mind, & Spirit
[FREQUENCY TREATMENT]

Each and every time you listen to this program, you internalize and accept only that information which is appropriate for you.

Your seventh chakra resonates with all keys, especially with the key of B, and the tones and hues of the color violet. Your eighth chakra resonates with all colors of the rainbow and is manifested as white light and the Unity with all Life. It is from these two chakras that you may elicit sacred responses to all your creative life questions that are specific to your unique life's journey.

Through the seventh and eighth chakras, you effortlessly experience, access, and enjoy your own unique connection with the Divine Intelligence of all Creation. You give your challenges, questions, and concerns to the great Mind of Spirit and receive back understanding, meaning, and the wisdom that is correct for you. You enjoy an increasing flow of magical synchronistic messages and events that demonstrate the wondrous and Divine Assistance to you from sources known and unknown.

Every day, and in every way, you are increasingly experiencing yourself as a magnificent aspect of Divine Intelligence. You feel surrounded by love and compassion for yourself as well as for those around you. You radiate love and peace and it is returned to you tenfold.

You are perpetually open to and receiving Divine Guidance in your every thought, word, and deed. You are whole and complete. You are peacefully and authentically empowered.

You are a Spiritual Alchemist. You effortlessly transcend the force fields of space, matter, and energy, allowing you to access and change realities formerly concealed by them.

You enjoy your ever-increasing awareness that the microcosm is the mirror image of the macrocosm. Your life is a never-ending spiral toward Unity in diversity with the Divine Nature of all things. You are an energetic magnet for loving, harmonious relationships, peace, creative fulfillment, and rich abundance.

You effortlessly maintain appropriate boundaries for yourself and with all others. You continually evoke the energetic force field of white light, spiritual balance, and protection for yourself. You are safe, peaceful, creatively inspired, whole and complete.

You feel “in flow,” with the Divine Nature of all Life. Wondrous synchronistic experiences and miracles abound in all your daily experiences, for which you rejoice.

You are continually and effortlessly enjoying mystical transcendence in all areas of your life. You are generous, thoughtful, respectful, and kind to yourself and others, and it is reflected back in peaceful ways, from those around you. You resonate to the frequencies of peace. You are open and joyfully receiving rich abundance in all appropriate forms, NOW.

You treat your body with reverence. As you inhale, you breathe in the golden radiance of the omnipotence, omnipresence, and omniscience of Divine Spirit. As you exhale, you release all leaden thoughts, old beliefs, memories, and ideas that no longer serve your highest and best.

You are attracted to fresh, whole, high-frequency foods, 70 megahertz or higher. These foods resonate with rich abundance, rejuvenation, and renewal to nourish each and every cell of your being. Every day, and in every way, you grow more radiantly healthy, vibrantly energetic, youthful, flexible, lean, muscular, and strong.

You treat yourself and others with dignity and respect. You enjoyably experience reverence for all life forms and know that you are one with the Divine Intelligence of all Creation. You increasingly transcend outdated limitations of time and space.

You are filled with love, light, peace, joy, and hope. Your soul is immortal and you are timeless. You are in unity with Divine Spirit and are filled with passion and creativity. Contained within your heart's most treasured desires are the means to fulfill them.

The pathways to the fulfillment of your heart's most treasured desires are revealed to you in magical, mystical, and synchronistic ways. You feel in "Divine Flow," and are enfolded in Grace.

For the fulfillment of your heart's most treasured desires I speak my word, and they are made manifest now, in just the right time, and in just the right ways.
